Using SIRS Issues Researcher @ Your Library

**Searching:**
- Type your topic in the search bar at the top.
- Results will be listed by topic unless you choose otherwise.

**Results:**
Use the list of source types and matching icons to help determine how many containers you will need to cite on your citation guide.

**Citing:**
**IGNORE** the citation information given at the end of the article. (It is not correct. Use the example to the right to locate correct information.)

**Printing:**
Use the link on the page tools menu to print.
