Use this tool to email the article to your personal email account.

Use this tool to download the article to your computer or flash drive.

Use the tools!

Twain, Mark

➤ Use the tool to format the article to print.
➤ Always choose to include an MLA citation
➤ Once it is formatted, use the “file” and “print” command or CTRL+P to send the article to a printer.

➤ Do not use the sample citation to complete your citation guide. It is missing information and has incorrect information.
➤ Use the MLA citation information given on the print preview screen and the notes below to complete your guide.

Options:

Print Citation Formats

Print with MLA Citation

Print with Chicago Manual of Style Citation

Scroll to the bottom of the Print Preview.

Citing *Bloom's Literature*

➤ Use the citation information from the **print preview version** of the article to complete your citation guide! - See the printing notes above.
➤ **DO NOT** use the information under the “Citation” link—it is incorrect.
