

# Using *Ebsco eBook Collections*

Log in using the library username and password.

Need to look up a word?  
Use the built in dictionary!

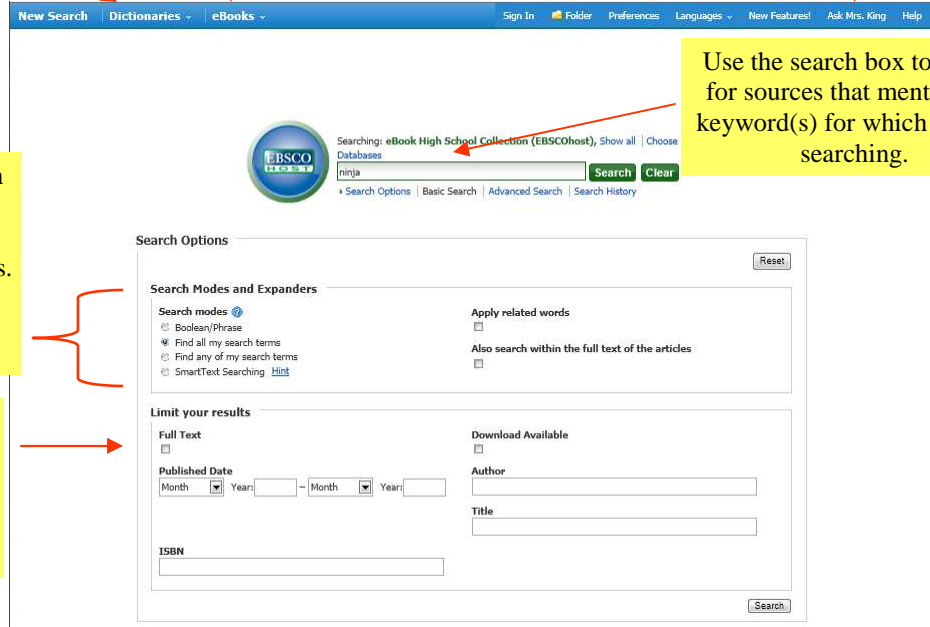

Search for a specific publication by name  
or topic by clicking this link.

Need help? Send a  
question to Mrs. King.

Adjust your keyword search  
using these options:  
Boolean/Phrase = use all  
operators and phrase markers.  
Find all = automatic AND  
Find any = automatic OR

Always make sure that  
you select the  
“Full Text” option,  
so that you can read  
the articles online.

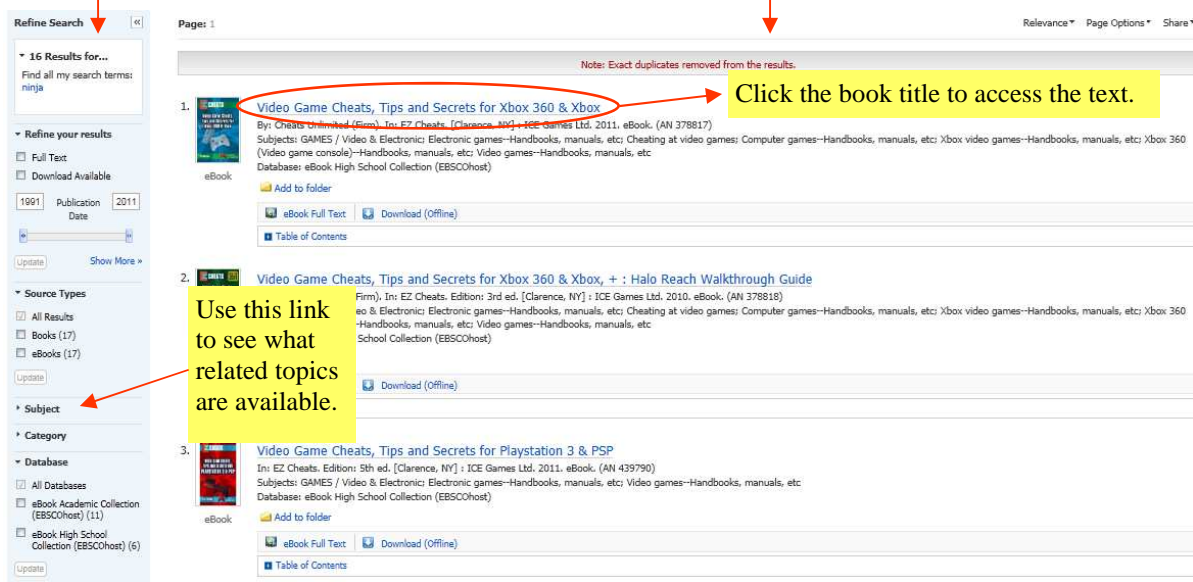

Use the search box to search  
for sources that mention the  
keyword(s) for which you are  
searching.

- This column has ways to sort your results.
- You can limit your hits by date
  - Limit to only sources with pictures
  - ALWAYS MAKE SURE THE “Full Text” BOX IS CHECKED.
  - If you make changes, click “Update” for them to take effect.

This column lists books with hits for the keywords  
for which you searched.

\* Remember: Just because you get a keyword hit,  
it does not mean that the text will be about the  
topic for which you are searching. Read carefully!

## Use the tools!

### PRINTING INFO!!

Use this tool to format the article to print. **Do not change the settings**, just click **YELLOW** print button. Once it is formatted, use the “file” and “print” command to send the article to the library printer.

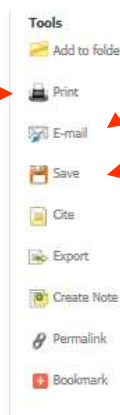

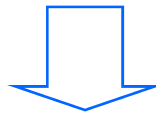

### Printing of eBooks is limited, so choose wisely.

**\*\*You may have to read and annotate from the screen for multiple chapters\*\***
